Question: 2

A company uses Dynamics 365 Marketing.

Marketing team members must be able to group related customers for campaigns, market research, and surveys.

What should you recommend? To answer, drag the appropriate features to the correct requirements. Each feature may be used once, more than once, or not at all. You may need to drag the split bar between panes or scroll to view content.

NOTE: Each correct selection is worth one point.

Answer Area

Features

Marketing list only

Marketing segment only

Marketing segment or marketing list

Requirement

Create a single campaign activity geared to a targeted audience.

Create groups of related customers for use in customer journeys.

Feature

Answer:

Answer Area

Features

Marketing list only

Marketing segment only

Marketing segment or marketing list

Requirement

Create a single campaign activity geared to a targeted audience.

Create groups of related customers for use in customer journeys.

Feature

Marketing list only

Marketing segment or marketing list

Explanation:

Box 1:

You cannot use marketing segments in a campaign.

Box 2:

You can only use one type of marketing list (a subscription list) for customer journeys. You can use any type of marketing segment for customer journeys.
